Ride for Kids Streaming!

What is Streaming?

Live Fundraising is a great way to tell your story, engage with donors, and create a richer connection to the Rodman for Kids' mission!

Streaming includes but is not limited to gaming, sharing passions and hobbies like online karaoke, fitness, sports, cooking, crafting and art. The possibilities are endless!

Rodman for Kids' Streaming integrates directly with Twitch and YouTube!

Starting Your Stream

1. You'll need a device to stream with (smartphone, desktop/laptop, Xbox, or PlayStation 4)
2. Download a streaming app to your phone ([Streamlabs](#), [Twitch](#), or [YouTube](#)) or software to your desktop ([Streamlabs](#), OBS, or XSplit).
3. Set up an account with a streaming service (Twitch or YouTube).
4. Add your streaming username to your fundraising page & save – you're ready to go!
 - Click Your Page in the top bar
 - Click the "Add Stream" button on your page
 - Choose your service and enter your username
 - Note: YouTube requires you to enter the full URL to the live video, not your YouTube username
 - Click Save Changes

The screenshot shows a fundraising page for Jane Lima, who is part of the Rodman for Kids Staff and is raising money for The 33rd Annual Rodman Ride for Kids. The page features a progress bar showing \$100 raised towards a \$500 goal. A green circle highlights the 'Your Page' link in the top navigation bar and the 'Add a stream to your page' form. The form includes a dropdown menu for 'Service' (set to Twitch), a text field for 'Username', and buttons for 'ADD STREAM' and 'CANCEL'. A green circle also highlights the 'Add a stream to your page' form. To the right of the form, there is a section titled 'Just getting started with streaming?' with a link to a 'quick guide!' and a section titled 'Add a graphic overlay to your stream!' with a text input field containing the URL 'https://rodmanrideforkids.dk' and a 'Copy' button. Below this, there is a note about pasting the link into streaming software like Streamlabs or OBS.
