# Rodman for Kids

## 2024 Young Professionals Board

### TELL ME MORE ABOUT RODMAN FOR KIDS!

At Rodman for Kids, we believe every young person deserves access to the programs, resources, and opportunities they need to dream, grow, and succeed. We are committed to raising resources, building capacity, and creating opportunities for youth-focused organizations, their leaders, and the kids they serve.

We accomplish this by providing space and programs for collaboration, networking, professional development, and best practices to youth-focused charities of all sizes through our [Charity Partner Program](#). In addition to this comprehensive support, Rodman for Kids also provides fundraising and organizational resources, as well as financial support to our [Charity Partners](#).

We also support our Charity Partners by providing access to unique, once-in-a-lifetime experiences to the young people they serve through our [Theatre for Kids program](#) - opening their eyes, broadening their horizons, and inspiring their minds to possibilities beyond their own imaginations and neighborhoods. Rodman for Kids is a 501(c)3 non-profit organization located in Foxboro, MA.

### WHAT IS THE YOUNG PROFESSIONALS BOARD?

The Young Professionals Board (YPB) is a group of Greater Boston young professionals (ages 25 - 38) who have a similar passion and interest in supporting youth-focused organizations that create a better future for kids. Each member of the YPB will fundraise for Rodman for Kids, helping our programs grow and thrive, as well as gaining opportunities to network with one another.
