

Rodman Ride for Kids

Participant Fundraising Ideas

Pick my Playlist

If you donate \$10, you can add any song to my Ride for Kids playlist. This is something that marathon runners do.

Dare Me

Embarrassing yourself in a way that is funny for both you and others is actually a great way to secure donations – if someone donates x amount, you will do the dare and post the video on social media for all to see.

- For example:
 - If you donate \$20, I will do 20 push-ups no matter how much I struggle.
 - If you donate \$50, I will skip down the block in a tutu singing loudly for all to hear.
 - If you donate \$100, I will learn and post a TikTok dance.
 - If you donate \$200, I will pour an entire bucket of flour (or anything else like slime, colored powder, etc.) over my head.

Rainy Day Run

If you donate X amount today, I will go run a mile in the rain and post a picture of myself at the end.

How Many Jellybeans are in the Jar?

Donate \$15 and give me 1 guess for how many jellybeans are in the jar. The person who is the closest will receive half of the money and the other half will go to my fundraising.

Name on Me

If you donate \$20, I will write your name on my body the day of my ride, etc.

50/50 Raffle

You/your team can host a 50/50 raffle online with GoFundMe or something similar.

Virtual Cooking Lesson

Host a Zoom Cooking Lesson with a simple, creative meal. Friends would donate to your page to be part of the online class.

Paint & Sip Parties

Know a creative painter? You can choose a template (or the painter can). Invite 15 - 20 people in person or on a Zoom call to participate in the class and ask everyone to make a donation to your page. You can drop off supplies to participants or develop it any way you choose. These classes are fun, social, something to do and can earn a rider \$300- \$700 in profit each time.

Scout & Cellar Handcrafted Wine

This small family farmed wine is clean-crafted, meaning it does not have any preservatives and synthetic pesticides. The average cost of a bottle is \$14- \$25 and is delivered to your door. The nonprofit can make 10-20% depending on the gross sales at a party and left open for weeks to incur proceeds.

Zumba/ Yoga/ Fitness Zoom Offering

Do you teach fitness classes? Teach a Zoom program and ask participants to donate to your page. Your class size is unlimited!

Lawn Signs

A great and creative idea! Put a QR code to your fundraising page on the sign for your neighbors to donate as they walk the dog, drive by on their way to work, etc. Have volunteers help place signs on lawns and encourage your teammates to do the same!
